Aug 8, Sep 12, Oct 10, Nov 14, Dec 12

Inova Schar Cancer Institute Life with Cancer Family Center

8411 Pennell Street
Fairfax, Virginia 22031

Room 203

10:30 am – 12 pm

Refreshments will be provided

A patient-led support group open to all individuals affected by Myelodysplastic Syndromes (MDS). The objective for this group is to provide patients, caregivers and families a safe place to cope with the emotional aspects of MDS, to share with others their feelings and challenges and to hear from local MDS other related healthcare professionals.

For more information and to register, call Brian Anderson at 703-984-9379 or email brian.s.anderson65@gmail.com
